

FOOD SERVICE CATALOG

Since 1967, Pepe's has been offering authentic Mexican food for use in all food service applications.

The process begins at Pepe's U.S.D.A.-inspected facility. Most products are fully-cooked and packed hot in boilable pouches — then quick chilled and frozen, in accordance with U.S.D.A. guidelines and our Q.A. Lab's strict HACCP program.

With Pepe's, you can be confident of authentic flavors, food safety, consistent yields and consistent food costs.

The broad variety of Pepe's products can help you create an artist's palate of traditional flavors, aromas, and colors to complete any menu.
